LAMPS FOR PROFESSIONALS

ALSO FOR HOBBY,
OUTDOOR AND SPORT!

BECAUSE
WE LOVE
LIGHT!

Whether in a workshop or security service: professionals depend on professional light, which they never do let you down. That is why so many people opted for KS Tools lamps. Best light thanks to the latest technology: Because we know that professionals rely on our technology, we ensure that only really high quality components are built into each lamp. The result:

LIGHT, IN THE PROFESSIONALS TRUST.

For craftsmen,
mechanics,
security and
authorities

We light up the darkness. With our powerful lamps for all areas of life. KS Tools lamps are not only bright, they are also smart. Because for us, function is paramount. Whether in the workshop, in your own four walls or outdoors: our lamps are ready for every challenge!

OUR BRIGHT LIGHT RANGE INCLUDES:

- head lamps
- inspection lights
- hand lamps
- UV-Lampen

YOUR PLUS:

The best quality and robust workmanship ensure a long service life, the latest technology guarantees the best brightness and our experience from 30 years is reflected in perfect ergonomics.

Innovative lights

for professional use, for
hobby, outdoor and sport

MORE THAN JUST LIGHT:

What others are already satisfied with is just the beginning for us. Because our innovations can do more than just shine. We give you features that help you in everyday life, such as a power bank function, connectivity via Bluetooth or the ability to listen to the radio and music.

For athletes, adventurers and outdoor freaks

YOUR PLUS:

Our lamps are ready for any challenge and your reliable companion for all outdoor experiences.

Tough: When selecting materials and manufacturing, we attach great importance to ensuring that every lamp survives even the most impossible adventures!

Always at hand, always ready to use, always there when you need it. KS Tools lamps are also everyday important helpers in your own four walls.

YOUR PLUS:

All lamps are supplied with batteries and are ready for immediate use. And of course, it is still there when you urgently need it again after a long period of time!

For night owls, bookworms and home builders
